

restrict or prohibit imports of goods, technology, or services, directly or indirectly, into the United States from the sanctioned person; or

impose on the principal executive officer or officers, or persons performing similar functions and with similar authorities, of a sanctioned person any of the sanctions described above, as appropriate.

Section 7 of the order also provides that, when the Secretary of State or the Secretary of the Treasury pursuant to authority delegated by the President and in accordance with the terms of such delegation, has determined that sanctions shall be imposed on a person pursuant to sections 1244(d)(1)(A), 1245(a)(1), or 1246(a)(1) of IFCA (including in each case as informed by section 1253(c)(2) of IFCA), such Secretary may select one or more of the sanctions described above for which the Secretary of the Treasury shall take such action, and the Secretary of the Treasury shall take actions where necessary to implement those sanctions.

Sections 8 and 11 of the order implement the statutory requirements of CISADA, as amended by section 1249 of IFCA. They authorize the Secretary of the Treasury to block all property and interests in property that are in the United States, that come within the United States, or that are or come within the possession or control of any United States person (including any foreign branch), and the Secretary of State to suspend entry into the United States, of persons determined by the Secretary of the Treasury, in consultation with or at the recommendation of the Secretary of State:

to have engaged, on or after January 2, 2013, in corruption or other activities relating to the diversion of goods, including agricultural commodities, food, medicine, and medical devices, intended for the people of Iran;

to have engaged, on or after January 2, 2013, in corruption or other activities relating to the misappropriation of proceeds from the sale or resale of goods described above;

to have materially assisted, sponsored, or provided financial, material, or technological support for, or goods or services to or in support of, the activities described above or any person whose property and interests in property are blocked pursuant to these provisions; or

to be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to these provisions.

I have delegated to the Secretary of the Treasury the authority, in consultation with the Secretary of State, to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA, as may be necessary to carry out the purposes of the order, other than the purposes described in sections 5, 6, and 11 of the order. All agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the order.

The order, a copy of which is enclosed, becomes effective at 12:01 a.m. eastern daylight time on July 1, 2013.
